### ALI PASHAPOUR, DMD Pashapour Oral and Facial Surgery

Dr. Pashapour is a highly skilled board-certified oral maxillofacial surgeon and implant specialist, having completed a combined six years of specialty training at some of America's top institutions, including an Ivy League degree from the University of Pennsylvania and B.S. degree from Georgetown university. He brings over a decade of knowledge and hands-on experience from the most complex surgical procedures. Pashapour Oral + Facial Surgery boasts state-of-the-art technology, use of three-dimensional virtual reality surgical planning, and strict safety protocols, offering patients top quality care in one of the most advanced and best equipped surgical facilities in the Greater Washington area.
